

Certificate for Purchases of Non-Highway Diesel Motor Fuel or Residual Petroleum Product for Farmers and Commercial Horse Boarding Operations

Purchasers and sellers: Carefully read the information on page 2 of this form and the certifications below before giving or accepting this certificate.

Sellers: You must collect the applicable taxes on the sale of diesel motor fuel or residual petroleum product unless the purchaser gives you a properly completed exemption document no later than 90 days after the delivery of the product sold. Keep the certificate for at least three years from the last sale covered by this certificate.

Purchasers: Complete this certificate and give it to the seller.

Blanket certificate - will be considered part of any order given and will remain in effect until revoked by written notice from the purchaser or until the Tax Department notifies you that the purchaser may not make exempt purchases.

Part 1 - For non-highway diesel motor fuel purchases only (mark an X in box a or b)

- a I certify that % of the non-highway diesel motor fuel will be consumed directly and exclusively in the production of tangible personal property for sale by farming, and all of the non-highway diesel motor fuel covered by this certificate will be delivered to my farm site, and will not be consumed on the public highways of this state except to reach adjacent farmlands (exempt from diesel motor fuel tax, petroleum business tax, and sales tax).
b I certify that % of the non-highway diesel motor fuel will be used or consumed either in the production of tangible personal property for sale by farming or in a commercial horse boarding operation (see definition on back), or in both, and will not be consumed on the public highways of this state except to reach adjacent farmlands or adjacent lands used in a commercial horse boarding operation, or both (subject to petroleum business tax at the commercial gallonage rate, but exempt from diesel motor fuel tax and sales tax).

Part 2 - For residual petroleum product purchases only (mark an X in box c or d)

- c I certify that % of the residual petroleum product will be used or consumed directly and exclusively in the production of tangible personal property for sale by farming, and all of the residual petroleum product covered by this certificate will be delivered to my farm site (exempt from petroleum business tax and sales tax).
d I certify that % of the residual petroleum product will be used or consumed in the production of tangible personal property for sale by farming or in a commercial horse boarding operation (see definition on back), or both (exempt from sales tax, but subject to petroleum business tax at the commercial gallonage rate).

Certification: I certify that the above statements are true, complete, and correct, and that no material information has been omitted. I make these statements with the knowledge that willfully providing false or fraudulent information with the intent to evade tax may constitute a felony or other crime under New York State Law, punishable by a substantial fine and possible jail sentence. I understand that the vendor is required to collect such applicable taxes from me unless I properly furnish this certificate to the vendor and that the vendor must retain this certificate and make it available to the Tax Department upon request. I also understand that the Tax Department is authorized to investigate the validity and accuracy of any information entered on this document.
